Flying Frontier Airlines from Denver International Airport (DEN) can be an exciting experience—especially when you're traveling on a budget. Known for its cost-effective fares, optional services, and wide domestic network, Frontier Airlines serves as a gateway to countless destinations across North America. However, understanding the layout, amenities, and key information about the [frontier airlines denver terminal](#) can make the difference between a chaotic trip and a smooth takeoff.

Whether you're a frequent flyer or embarking on your first adventure with Frontier Airlines, this guide breaks down every aspect of flying from their home terminal in Denver. From check-in and baggage to dining, accessibility, and flight tips—we cover it all.

An Introduction to the frontier airlines denver terminal

Denver International Airport is one of the busiest and most expansive airports in the United States. It's also the central hub for Frontier Airlines, which was founded in Denver and still considers the Mile High City its operational home.

Frontier operates out of **Concourse A**, one of the airport's three primary concourses (A, B, and C). This concourse has become synonymous with the airline's budget-friendly approach and serves as the departure and arrival point for the majority of Frontier flights.

Key reasons to know the **frontier airlines denver terminal** layout:

- It serves hundreds of flights per week
 - It's designed for efficiency and high passenger volume
 - It has unique boarding procedures aligned with Frontier's no-frills model
 - It's connected to modern airport amenities while offering practical services for travelers
-

Getting to the Airport and Finding the Terminal

Denver International Airport is located about 25 miles from downtown Denver. There are several options to get there, including:

- **RTD A Line Commuter Rail:** Offers a direct connection from Union Station to DEN
- **Ride-share services** like Uber and Lyft
- **Airport shuttles, rental cars, and taxis**
- **Private vehicles with long-term and short-term parking options**

Once at DEN, head to the **Jeppesen Terminal – Level 6 East Side**, where Frontier Airlines' check-in counters are located. From there, passengers proceed to **Concourse A** via either the **bridge walkway** or the **underground train (AGTS)**.

Check-In and Baggage Drop at the frontier airlines denver terminal

Frontier emphasizes self-service, and this is reflected in their check-in process. To avoid long lines and extra fees, travelers are encouraged to:

- Check in online or via the **Frontier Airlines mobile app**
- Purchase carry-on or checked baggage ahead of time
- Print boarding passes or opt for mobile boarding

At the terminal, passengers will find:

- **Self-service kiosks** for check-in and baggage tags
- **Dedicated baggage drop counters**
- **Customer service desks** for special needs or troubleshooting

Remember: Frontier charges separately for carry-on and checked bags, so planning your luggage in advance saves time and money.

Security and Access to Concourse A

After check-in, proceed to TSA security screening. DEN has multiple checkpoints, but passengers flying Frontier typically use the **North Security Checkpoint**, which provides access to the bridge to Concourse A. Alternatively, you can take the airport's **Automated Guideway Transit System (AGTS)**.

Once past security, you'll either:

- Walk across the **aerial bridge** with views of the terminal below
- Ride the **train**, which connects Jeppesen Terminal to Concourses A, B, and C

Both options will drop you at Concourse A, the main operating zone for Frontier.

Exploring Concourse A: Inside the frontier airlines denver terminal

Concourse A is a blend of practicality and comfort. As a hub for multiple airlines (including international carriers), it offers diverse amenities, but Frontier occupies a significant portion of the gates on the **east side of the concourse**.

Frontier Airlines Gates and Boarding Process

Gates for Frontier are generally clustered on the **east wing of Concourse A**, with clear signage and plenty of digital boards to guide passengers.

Here's what to know:

- Frontier boards by **zone** and **seat number**
- Priority boarding is available for a fee or with the **FRONTIER Miles Elite status**
- Boarding usually begins **30–40 minutes before departure**
- Passengers are encouraged to **line up early**, especially for full flights

It's also common to see **remote boarding ramps** for certain flights, depending on the aircraft size and gate availability.

Technology and Passenger Comfort

Concourse A and the frontier terminal at Denver support tech-savvy travelers with:

- **High-speed, free Wi-Fi**
- **USB charging ports** at most gate seating areas
- **Flight information screens** updated in real-time
- **Digital maps** to locate food, restrooms, gates, and more

Travelers should download the **Frontier Airlines mobile app** to manage boarding passes, flight status, and more.

Accessibility and Family Travel

The **frontier airlines denver terminal** is designed to support all types of travelers, including those with disabilities and families with young children.

- **ADA-compliant restrooms and elevators**
- **Companion care rooms and nursing suites**
- **Stroller-friendly walkways and ramps**
- **Wheelchair assistance** available upon request at check-in

DEN and Frontier have made noticeable efforts to make air travel more inclusive and accommodating.

Environmental Sustainability at the frontier airlines denver terminal

Frontier Airlines markets itself as America's greenest airline. Their operations at Denver support that mission through:

- Use of **fuel-efficient aircraft** (primarily the Airbus A320neo family)
- **Digital-first approach** to reduce paper waste
- **DEN's environmental efforts**, including solar panel installations and recycling programs

So if you're environmentally conscious, you can feel better knowing your journey begins at a terminal with similar values.

Frontier Flight Connections and Arrivals

If you're arriving at DEN on a Frontier flight, here's what to know:

- Frontier arrivals also land in **Concourse A**
- Baggage claim is located on **Level 5 – East Side**
- Connecting passengers should check whether they need to re-clear security
